YOUTH DAY CLASSIC 2018

The African Grassroot Hoops organisation will host **the 1st Youth Day Classic tournament on June 16 and 17 2018**, in Cape Town. To be held at the CTICC (Cape Town's Convention Centre). All U19 boys and girls teams in your organisation are invited to participate in our tournament.

The first day of the tournament is the 16th of June, which is a historical day in South Africa, Youth day. This day is in remembrance of the Soweto uprising, that was a series of demonstrations and protests led by black school children in South Africa that began on the morning of 16 June 1976.

About us

We would like to introduce African Grassroot Hoops. AGH is a non-profit company (NPC), that brings basketball to underprivileged areas of Cape Town and surrounding areas, by building and or revamping public basketball courts. Our drive is to be a source of hope, and an outlet for young individuals who live in one of the most unequal societies in the world regardless of gender, skill, disability, or previous exposure to basketball. All we require is a can-do attitude.

This corresponds with the goals for the tournament. The Youth Day Classic 2018 includes international **U19** boys and girls teams. The main aims are diversity, sportsmanship and family participation. The tournament will connect basketball teams from all over in one of the most beautiful cities in the world. By this tournament we want to break down barriers and build bridges across cultures.

We offer

- Complete packages available upon request including: accommodation, transport and food.
- An environment where competitors can develop, learn and exchange their skills.
- A platform for enriching partnerships.
- Optional discounted packages so you can enjoy our beautiful city whilst you're here with your family.
- Guarantee three games to play.
- Your team has the opportunity to play against our Little Lady Leaders now that they have returned from Washington DC.
- Special guest

A little on the team layouts ...

We will have only one Under 19 division for boys and girls and we will be playing all the games on two courts at the CTICC. We can only accommodate 10 boys and 10 girls teams, so space is limited.

All the information you will require to register your team is attached to this letter for your convenience. If you need more copies please contact us.

Each space will be allocated only on paid entries, so to avoid disappointment, please make sure to have your team registered early.
